Boxford Community Hub Update 5 April 2020

Take What You Need , Leave What You Can.

In the North Porch of St Mary's Church, Boxford, the Community Hub and the Church have set up a bring and share food bank. If you find yourself urgently needing basic supplies, then just 'take what you need'. If you are able, then 'leave what you can'. We are here to help!

Volunteers – Identity Badges

We are in the process of delivering Identity (ID) badges to our registered volunteers. As we receive people's addresses we are popping envelopes through doors. The envelopes contain badges, lanyards and a pair of gloves. As you would expect we have a very limited supply of gloves.

Community Hub Website

The community hub website continues to be updated as necessary:

<http://boxford.me.uk/home/boxford-community-hub/>

The most recent update is the "Shop Local" page, which provides information on local shops which are alternatives to the busy supermarkets.

Explore the page here: <http://boxford.me.uk/home/boxford-community-hub/shop-local/>

A number of these shops will also deliver.

Tribe -Volunteer App

The Collaborative Communities COVID-19 Board that has been set up by Suffolk County Council, has launched the Tribe - Volunteer App to support the "Home But Not Alone" service. The App can be downloaded from both the Apple App Store and the Google Play Store.

Even if you are already registered with the Community Hub, registering on the App will help the Council understand the support that is available. It will not detract from the support provided by Community Hub volunteers and will potentially add an extra layer of support for those in need.

In the Apple App Store the App looks like this:
