Boxford Community Hub Update 10 May 2020

Community Hub – Volunteer Update

We have over 100 people registered as volunteers with the Community Hub. Since the lockdown began these volunteers have completed at least 170 requests for support. We know that this is only a small proportion of the support that volunteers are actually providing to those in need in our community. Thank you!

Suffolk County Council - Covid 19 Briefing.

We periodically receive briefing notes from Suffolk County Council. These are often extensive and have information that may be of interest to some, but not all. The notes from the 6 May can be accessed on the Community Hub news page. The document is available here:

Have You Got News For the Update?

If you have anything for the update which is sent out every Sunday, please email evanflockhart@icloud.com.

TV Licensing Scam

Please beware of emails that are disguised to look like they have been sent by the TV Licensing organisation. They may say you're entitled to a refund for an overpayment or warn that your licence is about to expire. They will then ask you to respond by entering your bank details on a fake website. Although the emails may use the TV Licensing logo and have other features that make them look authentic, you should never trust them.
